The committee held an informal meeting because there was no quorum.

The Recipient stated that when the award is received and the committee has reviewed the final expenditures and services, and identify which service categories had low expenditures, the recipient recommended putting some of the money into Food Bank/Home Delivered meals.

The Home Delivered Meals component which used the COVID-19 funds was very successful and will continue to be successful. The Recipient's recommendation was, therefore, to fund Home Delivered Meals in Regular dollars if available. This recommendation will be discussed at the Executive Committee meeting.

Adjournment:

With no other business to discuss, the meeting was adjourned.

Respectfully Submitted

Gwendolyn Ellis-Wilson – P.C. Co-Chair
